As you enter the bedroom side of the home there are 4 comfortable sized bedrooms along with 1 with private bath & a hallway full bath. Down the hallway you will find a large Wonderful Master Suite with walls of closets, loads of windows overlooking your pool and private yard. Cathedral Ceilings and private bath with Skylight ..What a wonderful room to come home to at night after a long day! The lower level of this home boasts a large storage area with utilities. Across the hall from that is an additional room, which can be finished for a home office or another bedroom with 2 large windows. With walls of glass the Family room with Fireplace is just an Incredible Size! There is a lot of fun to be had in this room! Slider to the back yard with custom brickwork and patios.
