Year Built:	2019

Architectural masterpiece at 2 Woodland Pl, White Plains, this custom-built home by Stuart Shanks Architecture and b^space studio combines sleek modern design with vibrant elements. The striking exterior, with unfinished wood rain screens and exposed concrete, features bold volumes stacked with dynamic voids that flood the home with natural light. Inside, high-end finishes define the open-concept living space. The kitchen boasts quartz countertops, and custom cabinetry, while the spa-like bathrooms feature in-floor heating. Splashes of color throughout the home reflect the avant-garde approach that has been recognized in designboom. Every detail of this home, from the placement of furniture to the creative use of space, is thoughtfully crafted with an 'inside out' design concept. Outside, the seamless flow between interior and exterior spaces offers a unique connection to the environment, with open patios on the second floor blending with the bedrooms. The front entrance, framed by glass, creates an inviting indoor-outdoor dining and living area. Located in a commuter-friendly neighborhood with easy access to transit, this home is both a visual and functional gem. A rare opportunity to own a distinctive architectural statement in a vibrant suburban setting.
