Nestled on over 33,000 square feet of land, this beautifully updated 3-bedroom, 2-bath home offers a perfect blend of charm and functionality. The expansive outdoor space features an above-ground pool, a barn, and a large deck, making it ideal for entertaining or simply enjoying nature. A welcoming front porch greets you, leading into the first level where you'll find a cozy foyer, a formal dining room, and a living room with exposed brick details that flow seamlessly into the fully updated kitchen. A versatile office, which can double as a mudroom, and a convenient bathroom complete this level. On the second floor, three spacious bedrooms and a laundry area provide comfort and convenience including the master bedroom which features a huge walk-in closet and en-suite bath. The third level is a true retreat, offering another office space and a massive bedroom with its own en-suite bathroom. The unfinished full basement and an additional two-floor shed offers endless potential for customization and additional living space. With its blend of indoor-outdoor living and ample space, this property is full of possibilities waiting to be realized!
