This charming colonial has 3 bedrooms plus a den and boasts over 1800 square feet of living space. As you enter through the front door, you will appreciate the additional finished space of the enclosed porch. With a neutral palette and many windows throughout, the home has an abundance of natural light. The spacious living room features beautiful built-ins and a relaxing fireplace, the perfect spot to warm-up on a snowy, winter day. The dining room has hardwood floors and sought-after architectural features; wide baseboard and window moldings and an arched doorway that leads into the eat-in-kitchen. Featuring young GE appliances, the kitchen has the added convenience of a side door entrance...carrying in your groceries is a breeze! Upstairs are 3 spacious bedrooms, one with a walk-in closet, and a full bathroom. The walk-out lower level has a den/family room, a half bath, a laundry room with sink and a large storage area that can easily be finished into more living space. Outside, relax on the beautiful paver patio. The paver walkway leads to the 2 car garage, which was completely rebuilt in 2013, and has its own electrical panel. The driveway offers even more parking. The home has a young roof, maintenance free vinyl siding, and all windows have been replaced. A short walk to Suffern Pool, Horton Athletic Field and playground. Take advantage of all that the Village of Suffern has to offer with great restaurants, shops, and the landmark Lafayette movie theater. Inventory is still so low...Grab this opportunity because it won't last!
