If you judge THIS book ONLY by it's cover, you'll never see that upon opening the front door of this charming, Highlands Colonial is a home with a FABULOUS BROOKLYN INDUSTRIAL VIBE! So clever, so imaginative! The living room has an exposed, wood ceiling, free standing closets, a faux fireplace and open flow to a sun room that's ideal as an office/playroom. Free flow passage continues to the dining room, also open and seamlessly connected to the kitchen. So inviting for family and guests to gather. The Calcutta Gold marble kitchen counters even double as a breakfast bar with laundry underneath. Ingenious! If it's a quieter spot you desire to read or watch your favorite movie, there's another intimate sun room/family room which is also open to the kitchen. Optionality is key! Light transfers from space to space through open walls and new windows throughout. The second floor offers high ceilings, a primary bedroom, another bedroom and updated hall bath. Ascend to the third floor to another oversized bedroom with high ceilings and a new en-suite bathroom, an alternative primary bedroom perhaps! Across the hall is a walk-in attic. So convenient to the many dining and shopping options in the bustling City of White Plains. Even walkable! White Plains is also a transportation mecca for Westchester County, offering more trains during rush hour than most other stations in Westchester County. The express commute to Grand Central Terminal is just 33 minutes. An incredible opportunity awaits!
