AO 4/29. Continue to show. Step inside this spacious home offers more than meets the eye, boasting a layout expanded beyond its original design to provide extra space and comfort. The welcoming foyer opens to a large living room, formal dining room, and a sunny, open-concept family room that flows beautifully for modern living. Recently renovated eat-in kitchen featuring quartz countertops, a center island, and direct access to the deck and large backyard—ideal for entertaining or enjoying a quiet morning coffee. A convenient half bath completes the main level. Upstairs, the rare-to-find primary suite includes a private bath and his/her closets. Two additional bedrooms, a full bath, and a dedicated laundry room add to the comfort and functionality of this inviting home. One of the few homes in this price range offering such space, layout, and features—this is the one you've been waiting for!
