What defines majestic presence? Is it being sited on a commanding hilltop corner? Is it the way sunlight plays and dances on a certain place? Or is it space & grandeur...enough space to hold your family, your friends, and all of your dreams and aspirations? It is all of these things and MORE. It's the definition of 41 Glenmore. It begins with curb appeal as smiles are guaranteed from the moment you pull up & then step up along the new Bluestone path to a sheltering portico where you will be greeted by the original Galleon style Tiger Oak front door with its cool "speakeasy" window. A truly welcoming hall with 3 closets announces your arrival & will feel like a warm embrace. Brand new herring-boned red oak flooring will guide your way as it radiates warm beauty and carries you along the open flow plan into magnificently generous rooms. A limestone fireplace sets the tone in the large, light and oh-so-bright living room which features all new (this applies to the entire house) high-quality double-glazed, energy efficient windows, grand entryways and an adjacent, and aptly named sunroom with a brand new door out to a coffee-sipping side porch. An open dining room is anchored by a large bay window & flows into a jaw-dropping eat-in kitchen featuring all SS Bosch appliances, a quartzite-clad waterfall island/breakfast bar where pots & pan & prep space will unleash the inner Julia Child in you! Two tone cabinets and quartzite counters plus an induction range, & microwave drawer will make cooking easy and the door out to an enormous al-fresco dining patio will make it all fun! A main level en-suite bedroom with new custom bath plus a new main level powder room & 3 closets rounds out the 1st of 3 floors. An elegant stairway leads to 2 wings on the 2nd level. The primary wing hold an enormous bedroom with fireplace, an office with a cathedral ceiling, three large closets (1 walk-in), and a gleaming new marble tiled bathroom which connects to a large bedroom which can be an office, dressing room, nursery, sitting room?? A sweet suite! More large bedrooms (that is 4 on this floor and one on the 1st), one of which has a private balcony with new awning, and another renovated full bathroom plus a large linen closet rounds out the second level. Up on the 3rd floor you will be delighted to find 2 huge & tranquil storage rooms, cedar lined closets, and some seasonal views of Glenwood Lake. Riddle me this! When is a basement more than just a basement? When it is useful and has many large and separate rooms, another renovated powder room and a room we call a "Fun Cave" which has a period stone fireplace! A 2-car garage with storage bay, a long driveway with new blacktop, a large yard out back & a stroll to school, shops, cafe's, lake, and only a mile to Pelham Metro North (32 minutes to GCT!) brings all of this & you home. Let's recap! What's New? New wiring, new electric service, new hardwood floors, new kitchen, new appliances, new bathrooms, new plumbing, new double glazed windows, new doors, new thermostats, new ductless AC's (being installed by closing), new railings, new awning, new bluestone, copper gutters, copper leaders & cladding, painted in and out all spell high-quality & worry free living. You get so much more at 41 Glenmore!
