For the first time in nearly 70 years, this Nauraushaun gem is being offered for sale by the original owner at a stunningly reasonable price. We know you will love it just as much as the current owner has. Step inside to gleaming hardwood floors and a living room with a gorgeous bay window that lets in lots of natural light. Attached to the formal dining room you will find a sun-room with a wall of casement windows overlooking the private, flat backyard that is perfect for summer parties. The downstairs has been tastefully expanded and features a family room with a wet bar and a gas ignited, wood burning fireplace to cozy up to on chilly nights. Sliders from the driveway allow you to access the house without having to climb steps, perfect for those days you come home with heavy bundles and/or for people with mobility issues. There is an additional room off the family room which is currently a home office but could also be a ground level fourth bedroom. Two large additional rooms on the ground level are ideal for all your storage needs, an expansive home office, a gym or yet more bedrooms. You'll love this neighborhood! A quiet, friendly street with easy access to Pearl River's exceptional schools, the downtown area (including shopping, restaurants, pubs and houses of worship), the Pearl River Swim Club and Blue Hill Golf Course. Easy access to the Palisades and Garden State Parkways, the NYS Thruway, New York City and New Jersey.
