This EXTRA LARGE CAPE is a RARE FIND on a .52 acre corner property! Stroll up the paver path as the front porch welcomes you. Step inside to the generously sized center foyer with large front coat closet. There are HARDWOOD FLOORS on main and 2nd floor UNDER CARPETING (except for in the 4 season room). Most of the closets show the hardwood floors. Now let your exploration of your new home begin! This home is full of large and plentiful windows allowing beautiful views of mature, lush greenery from every room that surrounds the home and neighborhood. The main floor features a very large living room adorned with a wood burning fireplace and original mantel and brick (painted) and wood surround, a large bay window and front picture window. There are pocket doors that lead into the dining room and granite kitchen area. Off the dining room is the entrance to the stunning 4 season room surrounded by windows and authentic knotty pine, making it a perfect place for anything you wish to enjoy. Through the 4 season room there are sliders leading to an oversized deck, overlooking the masterfully planned plantings, allowing for all season enjoyment. Back inside on the main floor is a graciously sized primary bedroom, a second bedroom, currently being used as a den and a beautifully renovated full bathroom with sky light tunnel, stunning tile and spectacular and unique quartz counter and shower bench. Heading to the second floor you will find two very large bedrooms, each with 3 large windows and both with two large closets plus each with attic storage space! You simply can't beat the closet and storage space in this home. The second updated bath is found in the hall between the two large bedrooms. The walk out/drive out lower level is where you will find a two car tandem garage, laundry area, work bench, huge storage room with built in shelving and a bonus finished walkout family room that has so many versatile possible uses. It is currently being used as a workout/office/family room space. The landscaping on the property was meticulously planned and created by the current owner, a master gardener. A real treat to enjoy! This home also boasts Central Air and a Whole House Natural Gas Generator, alarm system, huge driveway and shed.
