

20 Woodglen Drive
New City, NY 10956
For Sale: \$899,000

Type:	Single Family
MLS#:	866362
Square Footage:	2,341
Taxes:	\$17,943
Year Built:	1968

Don't miss out..... on this beautiful New City home! This impeccable and stately 2,341 square foot center hall colonial is set back on .52 acre of park-like property, with tall, mature trees along the border. Hardwood floors flow through the entire home, beginning with the inviting foyer, with an adjacent powder room. The foyer leads to a spacious living room and dining room, with beautiful windows that flood the room with natural light. The family room opens into an updated eat-in kitchen with stainless steel appliances, plenty of cabinet space, and a sliding door leading out to the deck and backyard. From the kitchen, walk right into the laundry room which has a large sink, cabinetry and a large capacity washer and dryer, along with another door that exits onto the deck. Upstairs are 4 spacious bedrooms. Enjoy the vanity area that leads to a striking updated bathroom in the master suite. Another full bathroom, on the second level is large and well maintained. Fully finished basement, with a standard window that is ready to be used as additional living space as is, or can be designed to meet your specific needs- office, guest room, work out area, etc. This home is a winner!
