White Plains, NY 10606
For Sale: \$6,500

Type:	Rental
MLS#:	904975
Square Footage:	2,866
Year Built:	1952

Situated in the sought-after Highlands neighborhood of White Plains, this charming colonial home is nestled on a quiet, tree-lined cul-de-sac. The property spans a beautifully landscaped and level quarter-acre lot. Boasting over 2,800 square feet of living space, the home includes an attached two-car garage plus a driveway with room for additional parking. The main level features a generous living room with a cozy fireplace, a formal dining room that flows into a bright sunroom, and a modern kitchen equipped with stainless steel appliances and quartz countertops. A powder room and a comfortable family room—offering direct access to both the garage and a walk-out to the stone patio—complete the first floor. The backyard is ideal for entertaining, featuring a built-in stone grill and plenty of green space. Upstairs, you'll find a spacious primary suite, two more well-sized bedrooms, and a full hall bathroom. The third floor is accessible from the second bedroom and offers a versatile space that can serve as a home office, playroom, guest bedroom or extra storage area. The finished lower level includes a second family room, a laundry area, and a dedicated storage room. Conveniently located less than half a mile from both a local park and White Plains Middle School, the home is also just a short drive to downtown White Plains, where you'll find shopping, dining, train station and entertainment.
