Circa 2007. Located in one of Upper Nyack's most desirable locations, this exceptional custom contemporary home showcases impeccable design and craftsmanship—where classic architectural lines meet luxurious modern living. Every element, from the millwork to the materials, reflects quality and elegance. Over 3,700 sq ft of living space plus additional bonus space captures the perfect balance of timeless design and luxury. Nestled on a beautifully landscaped .56 acre lot, with South facing exposure, filling the home with natural light year-round. The heart of the home is an oversized chef's kitchen with a vaulted and beamed ceiling complete with skylight, expansive marble counters, oversized center island with a modern quartz countertop, Viking double ovens, walk-in pantry outfitted with hand crafted built-ins for ideal organization, oversized Sub Zero fridge plus additional beverage and freezer drawers—designed for both everyday living and effortless entertaining. Glass doors off the kitchen open to a beautiful bluestone patio and fully fenced backyard, framed by mature plantings and custom built stone walls creating a serene, private retreat. Smartly designed side mudroom entry allows ease of living into the kitchen wing, with full bath, bonus/flex room and well appointed laundry room. The welcoming and spacious front porch with dramatic stone columns and dual entrances lead to the large open foyer with double closets. The elegant and impressively scaled living and dining rooms with a reclaimed brick, wood-burning fireplace, elevated 9-foot ceilings, plus a versatile family room perfect for work or relaxation, and an additional half bath. The primary suite feels like a sanctuary, offering a vaulted ceiling, oversized walk-in closet, and spa-inspired bath with designer tile, double vanities and a luxurious walk-in shower. An additional three, well proportioned and bright bedrooms with spacious closets, and a full tiled bath complete the second level. The lower level adds tremendous flexibility; adjacent to the oversized 2 car garage is a large finished bonus room featuring soaring ceilings—ideal for playroom, studio, work space or gym—plus a full walkout basement ready to customize. The entire home is heated with multi-zoned radiant heating offering a most luxurious comfort that is quiet and invisible. Wide-plank wooden floors throughout, multi-zone central A/C, and expansive windows create an inviting atmosphere of warmth and comfort. Close to Hook Mountain, Nyack Beach, River Hook and all Nyack Village has to offer. Graceful and generous proportions, plus exquisite craftsmanship throughout make this home one of a kind.
