This is an amazing opportunity to rent close to Columbus elementary school and have parking while also having 4 bedrooms. It is 3/4 of a mile from metro north, either Pelham or New Rochelle stations. The living room has access to 2 of the 4 bedrooms and the other two are set up as railroad style with access to bedroom 4 through the master. This is great for a nursery or young children who are new to sleeping in a bed by themselves so adults can monitor their activities. The Eat-in kitchen has granite counters, a stainless steel sink and a gas range. There is also access to the in-unit stacked washer and dryer in a closet off the kitchen which can double as a pantry with some shelving. You will have direct access to the unit from your entrance at the rear of the property. You will also get 2 parking spaces in the private driveway. Only you, the tenants upstairs and the landlord will have use of. There is a concrete patio behind the building which is shared between unit 1, unit 2 and the landlord. You also have a small terrace outside your door which is reserved for only unit 1. 5th st is one way so there is far less traffic than other streets in the neighborhood. Plenty of storage closets as well as access to some storage space in the basement.
