Welcome to your luxury new-construction home at 50 Franklin Avenue in highly sought-after Rye Gardens. Meticulously designed and custom built by The Red Diamond Group, this ~4,525-square-foot residence offers an exceptional blend of classic elegance and modern functionality. An open-concept layout with soaring 10-foot ceilings on the main level creates an ideal setting for both everyday living and sophisticated entertaining. The home features an attached two-car garage and a grand two-story foyer with 20+ foot ceilings, intricate custom paneling, and crown molding throughout. At the heart of the home is a chef's kitchen featuring locally crafted custom cabinetry, a stunning 10-foot Taj Mahal Quartzite Island with a double waterfall edge, and two built-in refrigerator drawers for beverages and additional storage. Professional-grade appliances include a 48-inch Wolf Range and a 48-inch panel-ready Fisher & Paykel Refrigerator. A 16-foot Pella sliding glass door seamlessly connects the dining area to an ~500-square-foot Trex deck, creating an ideal indoor-outdoor entertaining space. The dining room features a custom built-in coffee bar with an additional beverage refrigerator. Anchoring the adjacent living room is a 72-inch linear fireplace finished in matching Taj Mahal Quartzite. The primary suite occupies its own private wing on the upper level and includes two walk-in closets and a spa-like ensuite bath with a freestanding soaking tub and rain-head shower. Also on the upper level are three additional spacious bedrooms and two additional bathrooms, with each bedroom offering direct access to a bathroom. The walk-out lower level includes a finished movie theater, a flexible sixth bedroom or gym/office, and a private guest suite. This level opens to a covered patio and a professionally landscaped private yard surrounded by Green Giant Evergreens. Built with premium materials and systems throughout, the home features a hydro-forced hot-air HVAC system with three units and four zones—one for each floor plus a dedicated zone for the primary suite—as well as a Navien gas boiler with an indirect hot water tank. Interior finishes include 5-inch select white oak hardwood flooring throughout and a comprehensive custom millwork package with bespoke cabinetry for built-ins, vanities, and walk-in closets. The home is fully wired for smart-home functionality and includes a keypad alarm, security cameras, Sonos speakers, and 4-inch LED recessed lighting, all powered by a 200-amp electrical panel. Additional features include Pella Lifestyle Series Windows with SDL grilles for energy efficiency and timeless style, and an exterior finished in Arctic White James Hardie lap and shake siding. Located just a short walk to Osborn Elementary, Rye Middle School, and Rye High School, and approximately 40 minutes by train to Grand Central, this property offers the perfect combination of privacy, luxury, and convenience in one of Rye's most desirable neighborhoods
