Corner lot on a quiet cul-de-sac street, 2 Henry Court in Nanuet offers the kind of move-right-in lifestyle that's hard to find with thoughtful updates, an inviting open layout, and exceptional space for everyday living and entertaining. Inside, a bright open floor plan is warmed by bamboo floors and a dramatic gas-fired stone fireplace, creating a natural gathering point for cozy evenings and relaxed weekends. The remodeled kitchen anchors the main level with crisp cabinetry, stainless steel appliances, granite countertops, and a tile backsplash, all flowing seamlessly into the living and dining areas. The main level features three bedrooms and two full baths, including a primary suite with an ensuite bath and walk-in tiled shower. From the primary suite, you'll also find access to an oversized unfinished attic—ideal for abundant storage and flexible use. A standout bonus is the mud room/den with its own private entrance, also perfect for a home office or creative studio. Downstairs, the full finished basement expands your options with a gym, bonus entertainment room, laundry, full bath and plentiful storage—ideal for guests, movie nights, play space, or multi-purpose living. Out back, enjoy your own private retreat with an expansive deck plus a paver patio, designed for gathering, grilling, and relaxing. Curb appeal shines with a heated paver stone driveway (THINK OF WHAT YOU WILL SAVE IN PLOWING!) and stone front steps, complemented by durable stucco and Hardie Board siding. Additional highlights include central air, 5-zone baseboard heat, a one-car garage, garbage disposal, and key updates including a roof (August 2016) and hot water heater (2020).
