Versatile investment opportunity in the Village of Suffern with a highly flexible layout and strong long-term upside. The main level features a welcoming foyer that opens to a generously sized living room, followed by a well-laid-out kitchen and a sun-filled dining area with excellent natural light. This level is completed by a primary bedroom, two additional bedrooms, and a full bathroom—ideal for stable end-user occupancy or rental demand. The lower level significantly enhances the investment profile, offering a spacious eat-in kitchen, two sizable bedrooms, and a full bathroom, creating the potential for multi-generational living or additional income opportunities (buyer to verify permitted use). Set on an oversized lot in a desirable neighborhood with public utilities, natural gas, and an attached garage, this property presents multiple exit strategies including long-term hold, live-in investment, or future optimization.
