Welcome to this beautifully updated Highlands home on a quiet, highly sought-after dead-end street. A gracious foyer with coat closet opens to an inviting living room with a cozy wood-burning fireplace and adjacent sunroom/office. The stunning great room features radiant heated floors and a chef's kitchen with Bosch induction range, quartz countertops, walk-in pantry, abundant storage, and built-in speakers. A sunny breakfast area and family room with built in surround sound opens via sliding glass doors to a patio and large, flat, usable yard. Elegant French doors connect to the formal dining room. The second floor offers three generous bedrooms, an updated full bath, convenient second-floor laundry, PLUS a spacious primary suite with built in speakers, a massive walk-in closet and spa-like en-suite bath featuring a soaking tub, multi-head shower, private toilet room, and radiant heated floors. Walk-up third floor offers excellent storage or expansion potential. Unfinished basement provides abundant storage and includes sump pump with battery backup. Additional highlights include updated electrical service with EV charger, solar panels covering most or all electric usage at no cost, four-zone heating and cooling, two-car garage, and a level yard. A perfect blend of luxury, comfort, and modern efficiency.
