

113 Buckberg Mountain Road  
 Stony Point, NY 10980  
 For Sale: \$775,000

Type: Single Family  
 MLS#: 957325  
 Square Footage: 2,788  
 Year Built: 1980

Nestled on the serene slopes of Buckberg Mountain, this beautifully maintained side-hall Colonial carries the soul of the Civil War era into modern living. The open floor plan flows naturally through sun-filled spaces adorned with rich hardwood floors throughout, mostly original finishes, this home has been lovingly cared for over the years. Upstairs offers four spacious bedrooms, while the main level features a warm family room with a wood-burning fireplace — perfect for cozy evenings in. A legal accessory apartment with its own private entrance provides often much needed flexibility for extended family, while remaining accessible through the main home if desired. Step outside to your own private paradise. The expansive 1.34-acre lot offers a level, grassy lawn with space for a pool, swing set, or entertaining, plus a back deck and lightly wooded areas that create a peaceful, naturalist retreat. Privacy abounds. An electric car charger adds a modern convenience to complete the package. A full unfinished basement offers tremendous storage or future potential. Located in the charming hamlet of Tomkins Cove, you'll enjoy the best of both worlds — a green, safe, and serene community with easy access to New York City just 33 miles away, roughly 35–40 minutes by car. Commuters can also reach the city by bus or train. The surrounding Rockland County and Stony Point area offer wonderful activities including hiking at Harriman State Park, exploring the Stony Point Battlefield, waterfront fun at the Hudson River, local farmers markets, and vibrant dining and shopping nearby. Come and see, an opportunity to own a piece of history in one of the Hudson Valley's loveliest settings.
