Welcome to this beautifully maintained 3+ bedroom home on a landscaped corner lot in Valley Cottage, offering inviting living spaces and thoughtful updates throughout. Originally renovated down to the studs, the property has been carefully improved over the years. A charming front porch leads to the entry foyer with porcelain tile flooring and a decorative medallion centerpiece. The living and dining rooms feature Brazilian cherry wood floors, with hardwood floors throughout. Elegant archways open to the renovated kitchen with stainless steel appliances and instant hot water on demand at the sink. Enjoy the four-season glass-enclosed Florida room, heated in winter and cooled in summer. Additional highlights include Andersen windows throughout, a 14K natural gas generator, Ring doorbell, and alarm system. The walk-out lower level offers a bonus room ideal for a fourth bedroom, guest space, or home office. Two pellet stoves help keep heating costs efficient. The primary bedroom features French doors opening to a Romeo and Juliet balcony. The bathroom includes a 4x4 walk-in shower with body sprays and imported Italian tile. A newly installed 6-foot privacy fence creates a nicely defined outdoor space. Conveniently located near parks, nature trails, NYC transportation, Major Highways, 25 minutes to NYC, Blue Ribbon schools, and the restaurants and shops of nearby Nyack.
