 For Sale: \$1,395,000

Type:	Single Family
MLS#:	968465
Square Footage:	2,289
Year Built:	2026

An exceptional opportunity to build a stunning new construction single-family residence with fully designed architectural plans already completed and approved. The proposed home offers approximately 2,289 square feet of thoughtfully designed living space across two levels, plus a full basement and integrated garage, providing both comfort and future expansion potential. The main level showcases soaring 9-foot ceilings and a modern open-concept layout designed for today's lifestyle. A covered front porch welcomes you into a bright foyer with staircase access. The front of the home features a spacious living room flowing seamlessly into a formal dining area, creating the perfect setting for entertaining. Toward the rear of the home, the chef's kitchen with a center island opens directly to a generous family room with fireplace, forming the heart of the home and an ideal space for gatherings and everyday living. The second level offers a luxurious primary suite with a private ensuite bathroom featuring double sinks, along with three additional well-proportioned bedrooms, providing ample space for guests, or a home office. With architectural plans already approved, this property presents a rare opportunity to bring your dream 4-bedroom, 2.5-bath home to life while saving valuable time in the design and permitting process. Ideally located within approximately half a mile of the nearby metro station, the home offers exceptional convenience for commuters and easy access to surrounding areas. This prime location supports a walkable, connected lifestyle while enhancing long-term value, making it an outstanding choice for both homeowners and investors alike.
