This is a show-stopper! From the moment you step onto this newly-paved walkway you know this is something special. Stylishly updated to perfection and move-in-ready, this Ranch has it all. The new front door welcomes you into an inviting entry hall. Custom woodwork surrounding the fireplace mantel immediately draws you in. But you can't help notice the modern eat-in-kitchen contiguous to the dining room. High-end cabinetry with self-closing drawers, sleek quartz countertops, a classic subway tile backsplash and a 5-burner gas oven makes cooking a delight. French doors across from the island open to a glass-enclosed porch, perfect for alfresco dining, morning coffee or simply relaxation. And the highlights don't stop there-the rest of the home continues to impress with its thoughtfully finished and comfortable living spaces. The location can't be beat on a private 1/3 mile circle with a path to the Davis Elementary School, its playground, fields, basketball hoop, and tennis courts. All this in the north end of New Rochelle where you can hop on a bus at the corner to the Scarsdale Metro North. Shopping close by at the Golden Horseshoe and Heathcote's 5 Corners. Work in progress to change this to a 4 bedroom/3 bath house. Don't wait - homes like this don't stay on the market for long!
