Set at the end of a quiet cul-de-sac and bordering acres of pristine forest, this exceptional home fosters the connection between art & home. With 4 bedrooms and a large bonus room, this home, including the finished lower level, offers over 2,700 sq ft of living space with a flexible design. Like a mountain-top sanctuary, every window frames a masterpiece of panoramic forest views and ethereal sunsets. The main level is a study in light and flow. From the welcoming foyer, the floor plan glides into a contemporary kitchen—crowned with skylights and outfitted with stainless appliances (Viking oven, Miele dishwasher, new refrigerator) —before opening to a sun-drenched breakfast room that leads seamlessly to the upper deck complete with a chef's BBQ area (direct-line gas grill, wood-burning oven, smoker, and mini-fridge). In the heart of the home, the formal dining and living rooms are wrapped in a continuous wall of glass, centering around a crackling wood-burning fireplace. This level also hosts the primary suite, an elegant escape complete with a generous walk-in closet and spa-like ensuite bath. The lifestyle continues in the fully finished lower level where you'll find 3 additional bedrooms, a large bonus room, and a cozy family room centered around a wood-burning stove. Glass doors lead directly to the outside oasis—a sparkling, expansive in-ground saltwater pool with exquisite tilework decking, all framed by views of the mountains in the distance. On a clear day, you can see forever. Beyond the pool, the property unfolds into a long and level yard, framed by a majestic fieldstone wall. This private retreat borders acres of forest and encompasses the most beautiful peace and quiet to allow meditative walks among nature. A separate artist's studio, perched above the 2-car garage, offers a soaring perspective and place for quiet inspirations for any creative pursuit. Located just a few minutes away from Rockland Lake State Park with miles of trails for hiking or biking, as well as being only a few minutes drive to the riverside village of Nyack for shopping, dining, galleries, theater, farmers markets, parades and events. There are also multiple commuting options to the city, being located about 35 miles from Grand Central. A graceful contemporary – a peaceful, secluded sanctuary – a luxurious retreat – welcome home to 837 Sherry Drive.
