A statement of brand-new construction, 19 Beverly Road delivers an elevated standard of living on just under a half acre in one of New Rochelle's most desirable enclaves. Thoughtfully designed and meticulously crafted, this five-bedroom, five-and-a-half-bath residence offers approximately 4,670 square feet of refined interior space across three finished levels. A grand foyer welcomes guests beneath a statement chandelier, framed by a private study to one side and an elegant flow of formal dining and gathering spaces to the other. The open-concept main level centers around a generous family room anchored by a gas fireplace, purpose-built for entertaining at scale and the rhythm of everyday living. The chef's kitchen is the home's defining feature. A sculptural quartz waterfall island commands the room, complemented by a dedicated prep sink set within custom glass-front cabinetry. Top-tier Bosch appliances, Kohler fixtures, and a Ca'Lefort wine refrigerator deliver the kind of detail-driven craftsmanship sought by the most discerning buyers. A butler's pantry extends both prep space and seamless flow into the formal dining area. A first-floor guest suite with private en-suite bath offers ideal accommodation for visitors, multigenerational living, or a main-level primary configuration. A powder room and direct interior access to the attached two-car garage complete the level. The second level features four additional bedrooms. Three secondary bedrooms include two that share a beautifully appointed hall bath with double vanity and tub-shower combination, and a third with private en-suite bath and walk-in closet. A dedicated laundry room with utility sink and generous cabinetry adds everyday function. The primary suite is a private retreat of remarkable scale and natural light, featuring his and her walk-in closets with custom built-ins and a spa-caliber bath outfitted with a freestanding soaking tub, oversized double vanity, and walk-in waterfall shower. The fully finished lower level expands the home's lifestyle offering with a sprawling recreation room, a dedicated fitness suite, and a full bath, equally suited to movie nights, game days, or private wellness routines. Outside, a sweeping paver patio anchors a level, private backyard with ample room for a future pool, outdoor kitchen, and expansive entertaining. A rare offering on a property of this caliber. Ideally positioned within 35 minutes of Midtown Manhattan, 19 Beverly Road represents the increasingly rare convergence of new construction, elevated design, and Westchester convenience.
