Traditional architecture exudes character with rich hardwood floors seamlessly leading you through its arched entryways and inviting living spaces that immediately feel like home. The woodburning fireplace serves as the centerpiece of the main living area, while the finished wraparound sunroom adds additional space to relax, gather, or unwind behind French doors. Designed with both comfort and practicality in mind, the layout flows effortlessly into the formal dining room and spacious kitchen featuring a center island, abundant cabinetry, and a unique built-in keg tap at the sink; ready for your carbonated beverage of choice.
