Meticulously maintained brick raised ranch set on beautifully landscaped property, offering the perfect blend of space, comfort, and versatility for multi-generational or extended family living. Boasting approximately 3000 square feet of thoughtfully designed living space, this home features an ideal open floor plan tailored for both everyday living and entertaining. A welcoming entry foyer opens to an oversized living room with fireplace and expansive picture window that fills the space with natural light. The recently renovated kitchen is equipped with stainless steel appliances, a center island, wine fridge, and flows seamlessly into the dining room with Juliet balcony overlooking the serene and private backyard. The first floor also features a spacious primary suite complete with a custom walk-in closet and ensuite bath, along with two additional bedrooms and a hall bath. The lower level provides exceptional additional living space, including a large family room with fireplace, recreation room with direct access to the oversized patio, summer kitchen ideal for entertaining, full bath, abundant storage, and access to the attached two-car garage. Additional updates include upgraded home security, a new garage door system, and hardwood floors throughout. A true suburban oasis offering privacy and tranquility while remaining just minutes from shopping, dining, transportation, and all urban conveniences.
