Welcome to 33 Terrace Avenue, a beautifully expanded and completely remodeled home in 2025 that seamlessly blends modern upgrades with exceptional living space. This move-in-ready residence features a stunning new kitchen with contemporary finishes, a fully renovated bathroom, new siding, and a new roof, offering peace of mind for years to come. Comfort is ensured throughout with newly installed ductless air conditioning units and supplemental heating on the second floor. The impressive second floor boasts soaring 9-foot ceilings, creating an open and airy feel rarely found in homes of this style. The spacious floor plan boasts oversized bedrooms, each featuring custom walk-in closets with built-in shelving systems. The generous bedroom layouts provide the flexibility to easily convert larger rooms into additional bedrooms, creating endless possibilities for growing households, guest accommodations, or home office space. The finished lower level adds valuable living area, with a partially finished basement enhanced by its own split-system air conditioning unit, perfect for a recreation room, media space, or home office. Outdoor living is equally impressive with a newly installed paver patio, ideal for entertaining, relaxing, and enjoying the private backyard setting. Security and convenience have been thoughtfully integrated throughout the property with solar-powered exterior security cameras, as well as window and room sensors that provide enhanced monitoring and peace of mind. The detached garage is currently outfitted as a gym, providing a versatile bonus space that can continue as a fitness area, workshop, or traditional garage. With extensive 2025 renovations, expanded living space, large bedrooms, abundant storage, and modern mechanical upgrades throughout, this exceptional home offers the perfect combination of style, comfort, and flexibility in a desirable Suffern location, that offers ease of commute to NYC with a commuter bus line located just a half mile away for direct route to Port Authority bus terminal.
