Welcome to 21 Ardsley — a beautifully updated home that pairs classic character with thoughtful renovations throughout. Set back on a private, tree-lined lot with mature landscaping, this home makes a statement from the moment you step through the front door onto the striking black-and-white checkerboard tile in the entry foyer. Rich hardwood floors flow throughout the main level, connecting a formal dining room, multiple sun-filled living spaces, and a true entertainer's kitchen. The kitchen is the heart of the home: striking black cabinetry, quartz countertops, a full subway-tile backsplash, floating wood shelving, and stainless steel appliances come together for a space that's as functional as it is striking. The open layout flows seamlessly into an adjacent dining nook wrapped in windows overlooking the trees. The main level offers flexible living space, including a cozy family room with a built-in fireplace and custom cabinetry, and a bright sunroom-style room with a grand piano, vaulted ceiling, and walls of windows, perfect as a music room, playroom, or additional lounge. A stacked laundry closet and a stylish powder room with the same checkerboard tile add convenience on this level. Upstairs, you'll find generously sized bedrooms with hardwood floors, ceiling fans, and great natural light, including a room currently set up as a nursery. The primary bath has been fully renovated with a floating wood vanity, sleek modern fixtures, and a glass-enclosed shower with striking dark tile. The finished lower level offers even more flexible living space, currently used as a playroom/rec room, plus a separate unfinished utility area with plenty of storage. An attached two-car garage adds everyday convenience. Outside, the home continues to impress: a deck overlooks a fenced backyard with a play area, and a wooded, boulder-lined path leads to additional private outdoor space, a rare feature that makes this lot feel like a retreat. The home's classic wood-shingle exterior, black shutters, and manicured landscaping offer great curb appeal on a quiet street. This is a home that's been lovingly maintained and tastefully updated ready for its next owners to move right in.
