Some houses simply make you feel at home the moment you walk through the door, and 15 Summit is one of them! Thoughtfully updated and move in ready, this inviting three bedroom, one bathroom home offers the perfect blend of charm, comfort, and functionality. The open layout is designed for both everyday living and entertaining, featuring a cozy fireplace, an updated kitchen, beautifully renovated bathroom, newer flooring, and abundant natural light throughout. The lower level offers exceptional storage along with flexible bonus space that can easily become a playroom, home office, media room, or gym. And then there's the backyard... one of my favorite features of this home! Beautifully flat with plenty of room to entertain, play, garden, or simply unwind after a long day, it's the kind of outdoor space that's becoming harder and harder to find. Recent updates include a renovated bathroom completed within the last year, newer kitchen, windows, flooring, washer and dryer, and a water heater less than two years old. Conveniently located near shopping, restaurants, parks, and major highways, this meticulously maintained home is one you won't want to miss!
