Perched on a quiet stretch of Stony Point with sweeping Hudson River views, this 4-bedroom rental offers space, light, and a setting that's hard to find at this price point. The front yard opens right up to that river view...a rare perk for a rental and one that makes morning coffee or evening wind-down feel like a retreat. Out back, tenants get a private grassy backyard with room for a grill, a table, and outdoor living furniture, eating outside, and taking in those Hudson River views. Inside, the eat-in kitchen offers comfortable everyday living space, and the mudroom keeps daily traffic organized while the downstairs laundry room (with extra storage) adds real functionality. The living room is the standout where panoramic windows frame sweeping Hudson River views, filling the space with light from morning to night. One full bath and four bedrooms give you the flexibility to make this home work for you, whether it be extra space for a home office, guest room, or growing family. Parking for 2 vehicles, with a third spot available in the lot above if needed. Located in a well-established North Rockland neighborhood with easy access to Route 9W, shopping, and the river towns.
