30 Broad is everything you need and nothing you don't. Bright, smartly designed studios and one-bedrooms with oversized windows, attractive kitchens, and a bathroom you'll love. Concrete construction and soundproof windows mean you enjoy the best parts of outside — because you're right downtown: across from the Metro-North station, above the brewery, and behind the Capitol Theatre. When you're home, everything is a minute's walk. Inside, a second-floor amenity lounge for downtime and a coworking space for the workday. Bike storage and an on-site super round it out, with parking available two blocks away for a modest monthly rate. Now leasing, ask about specials. Pets welcome.
