Welcome home to this stunning, beautifully updated home, perfectly situated on a gorgeous piece of property designed for both relaxing and entertaining. Sun-filled & spacious with 4/5 bedrooms and 2 new bathrooms with a bonus summer kitchen area. The chef's dream kitchen is beautifully updated and designed for both everyday living and entertaining. Featuring warm honey maple cabinetry, gleaming granite countertops, a gas range, and a spacious peninsula with a bonus second electric oven, this kitchen offers plenty of workspace and functionality for the home chef. The kitchen flows seamlessly into the formal dining room and spacious living room with bow window creating the perfect layout for holiday gatherings, celebrations, and entertaining. The beautifully updated sunroom is a true showstopper, featuring new Andersen windows, a striking brick & stone accent wall, exposed wood beams along the ceiling, new vinyl flooring, and a cozy electric fireplace. Filled with natural light and overlooking the beautiful property, this inviting space is perfect for enjoying your morning coffee, curling up with a good book, or simply relaxing at the end of the day. The primary bedroom offers generous closet space and a comfortable retreat at the end of the day. Two additional spacious bedrooms and a beautifully updated full bathroom complete the main level, providing a functional and convenient layout. The lower level offers an incredible amount of additional living space and flexibility, featuring a spacious family room, fourth bedroom, full bathroom, bonus home office or potential fifth bedroom, and a summer kitchen area with cabinets and a fridge. This versatile level is perfect for a private work-from-home setup, recreation space, or multi-generational living. Step outside to your own backyard retreat featuring an above-ground pool with a deck—perfect for summer fun, weekend barbecues, and enjoying warm days with family and friends. Cambridge paver patio and pavers under the deck. The beautifully maintained grounds provide plenty of space for outdoor activities, entertaining, or simply unwinding in your own private oasis. Additional Features & Recent Updates: Professionally landscaped property offering beautiful curb appeal. A new 50-year fiberglass roof with solar panels provides long-term durability and energy efficiency. Additional updates include new appliances, new washer and dryer, recessed lighting throughout, wooden hinged shutters in living room and newer blinds in the home, new radiator covers in living dining rm, and also the lower level, a water softener, and new vinyl flooring in the lower level and sunroom. Exterior improvements include attractive stone pillars, cambridge pavers, a new asphalt driveway, and a front-yard sprinkler system. The HVAC system is approximately two years old, adding even more value and peace of mind. Additional Features & Recent Updates: Professionally landscaped property offering beautiful curb appeal.
