Year Built:	2005

Built in 2005, this spacious 4-bedroom, 3-full-bath home offers approximately 2,300 square feet of living space. This home has many attractive architectural details, such as vaulted ceilings, skylights, arched doorways, and a stone fireplace, which add warmth, natural light, and character to the home. The upper level features a comfortable living room and generous dining area with hardwood floors, along with a large eat-in kitchen featuring granite countertops, stainless steel appliances, and access to the rear deck. The primary bedroom features vaulted ceilings and a full bath with a whirlpool tub, while two additional bedrooms and a second full bath complete this level. The walkout lower level adds even more flexibility, offering a recreation room, fourth bedroom, full bath, and laundry area, along with access to the oversized two-car garage. This versatile space is well suited for guests, a home office, recreation, or additional living space. Outside, enjoy a large deck overlooking the backyard, extensive paved areas for outdoor entertaining, and mature landscaping. Don't miss the opportunity to make this home your own!
