Every inch of this home has just been freshly painted from top to bottom! Why not choose the absolute best in class? You can live large and live well in this ultra-generous rental which will include a property manager and 6 hours of weekly cleaning (by current cleaner who knows the home well) at no additional cost! If you love tech this home is entirely tech-hub enabled should you wish to connect with it. Do you love low energy bills? Solar power provides shockingly reduced monthly bills. Do you drive an EV? If so, charge it up at the port in the 3 car garage and let the sun help make your motor run! From soaring 14 foot ceilings to over-sized windows this large and light home features a main level ensuite bedroom (with radiant heat), gleaming hardwood floors, an out-sized wood burning fireplace in the family room, a chef level eat-in kitchen with an induction cooktop, electric wall oven, new dishwasher, stainless appliances, and a smart refrigerator with an interactive screen you can program as you wish. The kitchen has tons of storage and prep space and is set up in a way you can easily unleash your inner Julia child! Yes Chef! The formal dining room, large separate work from home office plus a main level powder room, laundry with brand new dryer and two entry hall closets make life convenient. You will smile as you go up to find four more large and sunny bedrooms with closets that have storage systems in place. The Primary en-suite bedroom has a dressing room, a walk in closet, can easily hold a King or a California King and the bathroom has a private WC, a glass stall shower, Jacuzzi and dual sinks. A large hall bath with dual sinks and a private shower space makes life manageable. The lower level is a recreational paradise where you can play, have a movie night, get the band back together for practice, you name the fun! There is a large separate storage room too. A ductless AC with heat pump makes the lower level useful in all seasons and walks out to the park-like yard which is lush, level private and has a great stone patio. But wait, there's so much more! A gigantic Trex dining deck off of the family room and kitchen makes al fresco living easy. A Blackstone griddle (if ya know ya know) is included along with half a dozen propane tanks (Tanks Alot!), and so is the the deck umbrella and a stainless outdoor kitchen storage cabinet. Want to hear some way cool news? Also included are TWO refrigerators aside from the one in the kitchen, and two additional freezers for those big box store runs! Tres Cool! Shops, restaurants, supermarkets, schools, golf courses, parks, playgrounds, and all things in the ever-growing White Plains are not far from your front door. This is by far the best rental out there. It's available for immediate move-in. Go big and COME home!
