Square Footage:	1,684
Taxes:	\$14,504
Year Built:	1900

Located in the Village of Piermont with elevated Hudson River views, this fully reconstructed, brand-new contemporary home combines custom high-end finishes with exceptional building performance across three levels of finished living space. Rebuilt from top to bottom with all brand-new plumbing, 200-amp electrical, dual-zone heating and central air conditioning, and premium 5/8" thick Sheetrock throughout for superior sound attenuation and durability. The main level centers around a custom kitchen crafted by a professional kitchen designer valued at \$70,000-\$80,000, featuring custom two-tone cabinetry, a quartz waterfall island, a pantry, gas cooking, a built-in microwave drawer, and a Samsung smart refrigerator with touchscreen. The open floor plan features brand-new flooring and flows naturally into the main living and dining spaces, offering scenic water views. The upper level includes well-appointed bedrooms and a dedicated laundry alcove positioned directly in the main hallway for maximum convenience. Downstairs, the finished walk-out lower level offers versatile additional living space complete with a kitchenette featuring quartz countertops, wood cabinetry, a stainless steel sink, a built-in microwave drawer, and a compact two-door refrigerator, ideal for an entertainment area, home office, or recreation room. Built for maximum energy efficiency, structural integrity, and draft-free comfort, the house features high-efficiency spray foam insulation, brand-new double-pane thermal replacement windows, and a tankless water heater. The home's tight construction was verified through an official air-tightness test to ensure minimal heat loss and low monthly utility bills. Additional features include off-street driveway parking and low annual carrying costs within the South Orangetown Central School District. Located just minutes from downtown Piermont shops, dining, riverfront parks, public transit, and major commuting routes.
