This 3-bedroom, 2.5-bath Dutch Colonial in the Rye Neck School District pairs classic character with today's conveniences. The heart of the first floor is a living room anchored by a wood-burning stone fireplace and original stained-glass windows, with hardwood floors flowing into a generous dining room complete with a built-in bar. The kitchen was fully redone in 2021 and features quartz counters, a center island, a gas range, and stainless appliances. Upstairs, the primary suite is filled with natural light from a full wall of windows, balanced by an entire wall of closet space that keeps everything organized and out of sight. Two additional bedrooms offer flexibility for guests, a home office, or hobbies, and the full bath feels like a retreat with a deep soaking tub and a step-in shower. The finished lower level (approx. 650 sq ft, not included in listed square footage) adds room for a gym, media room, or workspace, along with laundry and storage. The home has been thoughtfully updated throughout, including ductless mini-split cooling and a new rear patio in 2024. Outside, enjoy a covered front porch, deck, level fenced backyard, and a 5-car driveway, all on a 0.18-acre lot about a mile from Metro-North and close to Mamaroneck's shops, restaurants, and waterfront parks.
