Tucked away in sought-after Larchmont Woods, this sun-filled Colonial has been lovingly updated over the years and is ready for its next chapter. The heart of the home is a true chef's kitchen, with a 48" professional-grade Viking range, cherry cabinetry, granite counters and a center island where everyone naturally gathers. Sliding glass doors lead from the kitchen out to a lovely patio and a beautiful tiered backyard for summer dinners, weekend gatherings and everyday outdoor living. The kitchen flows into the dining room. Additionally, a large family room, a separate living room with a fireplace and door to the patio, and a large powder room complete the first floor. Upstairs are three bedrooms, including a primary suite that is a true retreat, with a walk-in closet and a luxurious bath, plus a hall bath serving the two additional bedrooms. Thoughtful updates, including solar panels, energy-efficient windows and a new heat pump system, keep the house comfortable all year. Ample lower-level storage and an attached one-car garage add everyday convenience, and you're just moments from the Larchmont train station, the farmers market and the Village's shops and restaurants.
